

## Karli Cheatham Bio

(Title and Organization: Entry Point and Case Management Section Lead, Colorado Department of Health Care Policy & Financing)

Karli Cheatham has been working within the Medicaid long-term services and supports system for over seven years. She began her career as a case manager and currently oversees waiting list management, waiver enrollment and eligibility for the Case Management Division in the Office of Community Living. Karli has been instrumental in the efforts to reduce and eliminate the waiting list for the Home and Community-Based Services – Persons with Developmental Disabilities (HCBS-DD) waiver services and increase access to services for individuals with intellectual and developmental disabilities (IDD).
