ABOUT THE ALLIANCE VIRTUAL SUMMIT AND SPONSORSHIP

Alliance is a statewide association comprised of over 65 Community Centered Boards (CCBs) and Program Approved Service Agencies (PASAs) in Colorado collectively advocating to enhance the Intellectual and Developmental Disabilities (IDD) Community-Based System and to provide quality services and supports to persons with IDD in Colorado. As an association, Alliance represents our CCB and PASA Members, and their thousands of dedicated employees in the field of IDD. Most important, nearly 13,000 families and clients receive services and supports in the IDD Community System through our members in Colorado.

Alliance membership has grown significantly in the last two years and we are excited for you to see familiar names and e-meet our newest members! Check out the [full list of member organizations](#)! Invitations to the 2020 Alliance Virtual Summit will be extended to ALL Colorado PASAs, State of Colorado Department employees that our members work closely with, and IDD Provider Associations from the CMS Region VIII states of Wyoming, Montana, Utah, North Dakota, and South Dakota. We typically have over 200 attendees in-person and with the Summit being virtual, we could see at least twice as many this year!

Sponsoring the 2020 Alliance Virtual Summit will provide your company with a valuable opportunity to e-meet Alliance member organizations and invited IDD partners. It will provide you the opportunity to expand and develop business opportunities and for Alliance members and attendees to learn about the products and services you have to offer.

Please review the Sponsor Packages below.

BREAKING NEWS: The Alliance Board of Directors has approved two new levels of membership that would allow companies like yours to become members of Alliance! Previously, membership was only available to agencies designated as a CCB or a PASA. We plan to open these membership levels in July, and you can expect detailed information from me in the next month!

Thank you in advance for your interest in the 2020 Alliance Summit, and potential membership with Alliance.
