

Thank You for ENDING MY WAIT

for comprehensive services

Meet Kristi:

- I currently live in Westminster.
- I requested emergency compressive services because of health and mobility issues and I still had to wait.
- I finally got comprehensive services and I really like my host family, we do a lot of fun things together!
- My provider helped me get on top of my medical issues and my health has improved.
- I have a job at The Arc Thrift Store!

“It has helped to have a DD Comp resource. It was a real struggle trying to live on my own while I waited for a resource. It’s not right that people who really need this help have to wait like I did.”

-Kristi
